we spend some a little
B C#m
to break the old routine

A B
i take my lady downtown
A E
to see what's to be seen

when... I...
A B
bring my girl to town
E
we go all out
A E
we eat like kings, dance and sing
F#7 B
and laugh and scream and shout

we party like our money

and parade her on the scene cause...

CHORUS

Now, life it has it's complications
and we've been thrown one too
he arrived into his momma's arms
a baby dressed in blue

but we don't let him spoil our fun
no we don't miss a thing
We just drop him off at grandma's house
so I can go out with my queen cause...

CHORUS
